

PassportScan
Cloud 

The Check-In Revolution.

Secure, Paperless, and Fully Integrated Guest
Identification for Modern Hospitality

Distributed by GlobeID Limited

The Old Way

- Manual data entry errors
- Lobby queues & congestion
- Physical paper storage costs
- GDPR compliance risks

The PassportScan Way

- ✓ 100% Digital & Secure
- ✓ Instant Data Extraction
- ✓ Automatic Police Reporting
- ✓ Digital Forms Signature

Make legal compliance an invisible part of check-in.

A Complete Suite for Contactless Hospitality.

Scan. Verify. Store. In Seconds.

13,000+ document types supported.

- ✓ **Universal Scanning:** Instantly reads Passports, IDs, Visas, and Driver Licenses.
- ✓ **No Physical Scanner Required:** Works on standard iOS and Android devices.
- ✓ **Accuracy:** Eliminates manual typing errors.

Paperless Consent & GDPR Compliance.

- **Global Reach:** Create custom forms in 120 languages.
- **Privacy First:** Digitally collect GDPR consents and marketing opt-ins.
- **Secure Storage:** Data encrypted in the cloud with the highest security standards.
- **Smart Retention:** Auto-deletion rules to comply with local privacy laws.

Elevate the Front Desk Experience.
